

Dear Students,

Employment Services of the Labour Department for Students with SEN

Are you looking for a Job? Do you know how to prepare for a job interview? Do you have any difficulty in disclosing your condition to employers?

The Selective Placement Division of the Labour Department offers free employment services including employment counselling, dissemination of up-to-date job market information, as well as job matching and referrals for all SEN students. You may simply refer to the [PowerPoint presentation](#) attached below or browse the website at www.jobs.gov.hk/isps for more details.

[Register now](#) to meet our Employment Consultant for an One-to-One Career Consultation.

For enquiries, please call our employment consultants at 2852 4810 or 2852 4806.
