

## 2024 Summer Program/Research Intern HandsOn Hong Kong

Hong Kong's charities are a lifeline for the city's most vulnerable—including the 1.37 million Hongkongers living below the poverty line. As a local charity, HandsOn Hong Kong mobilizes thousands of volunteers each year to support the city's non-profits and the tens of thousands of people they serve. Each month, we run up to 200 volunteer activities as part of our mission to empower everyone in Hong Kong to volunteer. Our vision is for a Hong Kong where no charity serves alone.
